... and fold to detach – result: cards with perfectly clean edges!

## BIG PACK BUSINESS CARDS FOR PRE-PRINT SERVICE

That's how "Pre-Print" works:  
Combination with offset print and customisation at the desk

### 1 Creation of your corporate design per offset-print

Creation of the master in accordance with your corporate design. A larger print run of blank business card sheets (with clean edges) will be pre-printed with the corporate design only..

### 2 Customisation with your own printer

The employee or the responsible office will print the respective individual information on the pre-printed sheets with inkjet or laser printer.
